

Fasteners

- 

Fine wire staple
Standard staple for fasten-
ing textiles, card, paper,
wire mesh, thin wooden
laths and many other
materials.
- 

Flat wire staple
For all jobs where staple
head must not press into
material. Suitable for all
non-woven materials, such
as foils, aluminium lamin-
ates, card, waxed and oiled
papers, labels, e.g. shipping
labels and similar.
- 

Narrow crown staple
For fastening tongue-and-
groove boards, panels,
fibreboard and wire mesh.
- 

Cable staple
The special staple for
fastening low voltage
cables.
- 

Nail
For fastening applications
leaving only a small part of
the fastener visible, e.g. for
decorative mouldings, cor-
ner ledges, etc.

Rivets

Applications

Mounting signs, fastening sheet metal components, metal repair sheets, accessories (e.g. spoilers and mouldings) on cars, motorcycles and bicycles, household and garden appliances, garden furniture, leather goods, toys.

Grip of rivet K

To rivet together two workpieces it is necessary to know their material thickness. The sum of the two values is known as **grip of rivet**.

Innovation and quality

Since the company was founded in 1946, the NOVUS brand name has been synonymous with perfected technologies for office equipment and fastening tools. Today, reliability as well as practical and innovative design are the hallmarks of the many different products from NOVUS, all developed to rationalise and facilitate office work or to provide professional fastening in home and trade use. Drawing on decades of experience and priding itself on perfection down to the very last detail, the north German company constantly develops innovative products, such as the TSS flat-screen support arm system that was designated Product of the Year 2003.

NOVUS® HAND TACKERS

Tackers at a glance

Practical, robust, powerful and versatile: Novus tackers are ideal for home and garden, for DIY and professional use. Powerful and dynamic, they can handle any job – and also look great in their timeless modern design.

Hand tackers

NOVUS J-01 A

The small, sturdy hand-held tacker for occasional use.

- For home and garden use
- With lock-down handle

Weight: approx. 215 g Art. No. 030-0417

Type **A**

Length mm 6-8

NOVUS J-01 AS

The small tacker for home and garden.

- Made of high-grade ABS plastic
- Also suitable for fastening low-voltage cables carrying up to 50 volts max. and in a diameter of 4.5 mm

Weight: approx. 215 g Art. No. 030-0415

Type **A** **S**

Length mm 6-8 9-10

NOVUS J-02 AL

The large hobby tacker for universal application.

- Made of high-grade ABS plastic
- Also suitable for fastening low-voltage cables carrying up to 50 volts max. and in a diameter of 6 mm

Weight: approx. 325 g Art. No. 030-0416

Type **A** **L**

Length mm 6-14 14

NOVUS J-08 XX

The small, practical tool for multi-purpose use.

- With hi-tech plastic housing
- With lock-down handle and safety lock release
- With staple inspection window

Weight: approx. 260 g Art. No. 030-0407

Type **A** **B** **H** **D** **F** **G**

Length mm 4-8 4-6

NOVUS J-09 XX

The small professional tool with durable die-cast zinc housing and extremely low recoil.

- Also suitable for small fastening jobs
- With lock-down handle and safety lock release
- With staple inspection window

Weight: approx. 610 g Art. No. 030-0408

Type **A** **B** **H** **D** **F** **G**

Length mm 4-8 4-6

NOVUS J-16 EADHG

The small hi-tech plastic tacker.

- With practical impact power adjuster
- With distance holder for precision tacking
- Multistroke function for driving in staples flush with surface
- With lock-down handle
- With staple inspection window

Weight: approx. 500 g Art. No. 030-0390

Type **A** **H** **D** **G** **E**

Length mm 6-14 6-14 16

NOVUS J-19 EADHG

The powerful professional tacker with durable, low-recoil die-cast zinc housing.

- With practical impact power adjuster
- With distance holder for precision tacking
- With multistroke function
- With lock-down handle
- With staple inspection window

Weight: approx. 1000 g Art. No. 030-0386

Type **A** **H** **D** **G** **E**

Length mm 6-14 6-14 16

Cable tackers

NOVUS J-19 S

The professional cable tacker with die-cast zinc housing, ideal for fastening low-voltage cables.

- For low-voltage cables in a diameter of up to 4.5 mm
- With long-reach nozzle for hard to reach places

Weight: approx. 920 g Art. No. 030-0394

Type **S**

Length mm 9-11

NOVUS J-19 L

The "large professional tool", ideal for fastening low-voltage cables.

- For low-voltage cables in a diameter of up to 6 mm
- With practical impact power adjuster
- With long-reach nozzle for hard to reach places

Weight: approx. 920 g Art. No. 030-0395

Type **L**

Length mm 9, 11, 14

Electric tackers

NOVUS J-102 A

The economy-priced electric tacker for home and decoration use.

- With handle safety lock release for unintentional firing
- Rear loading system for fast, easy reloading
- Cord length: over 2.5 m

Weight: approx. 1020 g Art. No. 031-0334

Type **A**

Length mm 6-14

NOVUS J-118 C

The small hobby panelling tacker in advanced, ergonomic design.

- With narrow, extra-long nozzle for hard to reach places
- Cord length: over 2.5 m

Weight: approx. 1100 g Art. No. 031-0341

Type **C**

Length mm 12-18

NOVUS J-105 EADHG

The small, multi-purpose professional tool for interior construction work and decoration.

- With electronic impact power adjuster and distance holder
- Bottom loading
- With staple inspection window
- Cord length: over 3 m

Weight: approx. 1160 g Art. No. 031-0333

Type **A** **H** **D** **G** **E**

Length mm 6-14 6-14 16

NOVUS J-165 EAD

The all-round tacker with extremely low recoil.

- Upholstering, insulating and panelling with clips
- With wide, long nozzle
- With impact power adjuster
- With multistroke function
- With integrated staple driver
- Cord length: over 3.5 m

Weight: approx. 1750 g Art. No. 031-0326

Type **A** **D** **E**

Length mm 8-20 8-18 16-19

NOVUS J-165 EC

The panelling tacker in ergonomic, modern design with extremely low recoil.

- With narrow nozzle
- With impact power adjuster
- With multistroke function
- With integrated staple driver
- Cord length: over 3.5 m

Weight: approx. 1640 g Art. No. 031-0324

Type **C** **E**

Length mm 15-26 16-25

Staple remover

NOVUS J-065

The practical staple remover.

- Effortlessly removes all staple types
- With ergonomic handle

Weight: approx. 115 g Art. No. 033-0001

Hammer tackers

NOVUS J-021 H

The light-duty hammer tacker.

- For fine wire staples up to 6 mm in length
- With ergonomic handle

Weight: approx. 405 g Art. No. 030-0371

Type **H**

Length mm 4-6

NOVUS J-031 G

The medium-duty hammer tacker.

- For flat wire staples up to 10 mm in length
- With ergonomic handle

Weight: approx. 940 g Art. No. 030-0372

Type **G**

Length mm 6-10

Riveting tools at a glance

The blind riveting tools and rivet nut setting tools from Novus connect two materials in professional quality – either permanently or just temporarily.

Rivet nut setting tool

NOVUS J-65 AS

The robust rivet nut setting tool.

- For mounting blind rivet nuts for screw fastening
- With 3 nosepieces, mandrels, adjusting screw and spanner

Weight: approx. 580 g Art. No. 032-0027

Type **A6** **A7** **A9** **S6** **S7** **S9**
M4 **M5** **M6** **M4** **M5** **M6**

Blind riveting tool

NOVUS J-50 A

The light-duty blind riveting tool for occasional use.

- With 4 nosepieces and integrated spanner
- With lock-down handle and return spring

Weight: approx. 465 g Art. No. 032-0023

Type **A2** **A3** **A4** **A5**

NOVUS J-53 ASC

The robust standard blind riveting tool with forged steel lever.

- With 4 nosepieces and spanner
- With lock-down handle and return spring

Weight: approx. 465 g Art. No. 032-0024

Type **A2** **A3** **A4** **A5** **S3** **S4** **C4**

NOVUS J-55 ASC

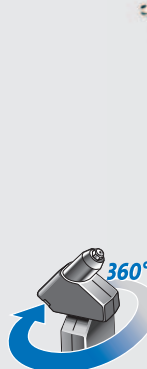

The blind riveting tool with forged steel lever for frequent use.

- With 4 nosepieces and spanner
- With lock-down handle and return spring

Weight: approx. 520 g Art. No. 032-0025

Type **A2** **A3** **A4** **A5** **S3** **S4** **C4**

NOVUS J-60 ASC

The blind riveting tool with flexible swivel head.

- For restricted access areas
- With 4 nosepieces, spanner, lock-down handle and return spring

Weight: approx. 620 g Art. No. 032-0026

Type **A2** **A3** **A4** **A5** **S3** **S4** **C4**
